OWN A PONY AFTERNOON

DATE:-

CHILDS NAME:-

Own a pony afternoon is for your child to enjoy a pony between 2pm and 5pm as if it were their own.

There is no set format for the afternoon.

Your child may ride the pony for a maximum of 90 minutes during the afternoon in the indoor school to which each child is allocated.

Parents must understand whilst we offer minor supervision "Own a Pony" is not structured as a fully supervised lesson as this would detract from the whole idea of having your own pony.

I fully understand the idea of "Own a Pony" and am fully aware this activity will not be fully supervised.
